

**REMARKS**

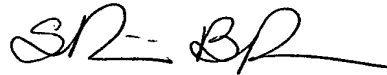

1. Amendments to satisfy Section 3.A of the Notice were provided in Applicant's letter of November 24, 2006, in which new drawing sheets containing Figures 12-16 were provided, which have been correctly labeled as required by the Patent Office.

2. To satisfy sections 4.A and 4.E of the Notice, Applicant now submits that a complete listing of all claims has now been provided, including claims 1-12 which were previously missing.

Applicant submits that no extension of time fee is required as the above non-compliant amendment is a non-final amendment, thereby satisfying Item 2 of the second section of the Notice, entitled "Time Periods for Filing a Reply to This Notice".

Favourable consideration of the application is respectfully requested.

Respectfully submitted,
